**U.S. PATENT DOCUMENTS**

| * |   | Document Number               | Date     | Name         | Classification |     |
|---|---|-------------------------------|----------|--------------|----------------|-----|
|   |   | Country Code-Number-Kind Code | MM-YYYY  |              |                |     |
|   | A | US-6,185,619-B1               | 02-20001 | Joffe et al. | 709            | 229 |
|   | B | US-5,832,527-                 | 11-1998  | Kawaguchi    | 707            | 205 |
|   | C | US- -                         |          |              |                |     |
|   | D | US- -                         |          |              |                |     |
|   | E | US- -                         |          |              |                |     |
|   | F | US- -                         |          |              |                |     |
|   | G | US- -                         |          |              |                |     |
|   | H | US- -                         |          |              |                |     |
|   | I | US- -                         |          |              |                |     |
|   | J | US- -                         |          |              |                |     |
|   | K | US- -                         |          |              |                |     |
|   | L | US- -                         |          |              |                |     |
|   | M | US- -                         |          |              |                |     |

**FOREIGN PATENT DOCUMENTS**

| * |   | Document Number               | Date    | Country | Name | Classification |  |
|---|---|-------------------------------|---------|---------|------|----------------|--|
|   |   | Country Code-Number-Kind Code | MM-YYYY |         |      |                |  |
|   | N | - -                           |         |         |      |                |  |
|   | O | - -                           |         |         |      |                |  |
|   | P | - -                           |         |         |      |                |  |
|   | Q | - -                           |         |         |      |                |  |
|   | R | - -                           |         |         |      |                |  |
|   | S | - -                           |         |         |      |                |  |
|   | T | - -                           |         |         |      |                |  |

**NON-PATENT DOCUMENTS**
